

TEAT CONDITIONER

TEAT CONDITIONER SPRAY/DIP CONSISTS OF ESSENTIAL OILS AND IS A PRODUCT WITH NATURAL INGREDIENTS THAT OFFERS A PERFECTLY BALANCED PROTECTION FOR THE TEATS OF YOUR COWS.

- Contains no iodine or chlorhexidine.
- Emollients help prevent cracking and sore teats, keeping them soft, supple and non-sensitive to touch.
- High visibility, colour formulation for quick and easy identification of use.
- Repairs teats damaged by heavy iodine and chlorhexidine product use.
- Ideal for milking robots.

APPLICATION

- Contains Mentha Menthol essential oil to prevent annoying flies and a cooling effect that soothes irritation and inflammation of the skin and closes the teat canal.
- Ready-to-use teat spray suitable for spray and dip after milking.

INGREDIENTS

Aqua, Glycerin, Glyceryl PEG Ricinoleate, Alcohol Denat, Menthol, Rosmarinus Officinalis Leaf Oil, Origanum Vulgare Leaf Oil, Lactic Acid, Xanthan Gum.

Available in 20, 60, 200 or IBC 1000 liters

Teat Conditioner is the premium leading product for livestock farmers who meet the highest standards
